## ELKS HOLD THEIR ANNUAL LODGE OF SORROW ON SUNDAY

Mr. A. G. Sulser Will Deliver Annual Eulogy Before Members of the Maysville Lodge of Elks on Next Sunday Afternoon.

Next Sunday is the day set aside in all Elksdom throughout the United States for the annual Lodge of Sorrow and as its annual custom, Maysville Lodge No. 704 will observe this day as a day in Memoriam of their departed brothers.

The local lodge has made arrangements for the Lodge of Sorrow to be held on Sunday afternoon at 2:30 o'clock and Hon. A. G. Sulser, a member of the local order and a Past Exalted Ruler, will deliver the annual eulogy. Mr. Sulser is a speaker of much ability and has been in great demand for similar addresses for the Elks in various parts of Kentucky.

A couple of years ago the local lodge suspended their usual annual open sessions at the Washington Theater which were so much enjoyed by the families of the Elks, the friends of the deceased members and the public in general and this year the meeting will be held in the Elks Home in the State National Bank building.

## STANDARD OIL COMPANY BUYS CORNER PROPERTY

Lot at Corner of West Second and Wall Street Purchased by Oil Company and Auto Service Station May Be Established.

The Standard Oil Company has just closed a deal whereby they purchased from Attorney A. D. Cole the vacant lot at the South-West corner of West Second and Wall streets, one of the most valuable lots within easy reach of the business section of the city. For a long time this property has been looked upon as one of the most valuable pieces of property in the city where a business building might be erected.

It is understood that it is the purpose of the Standard Oil Company sometime in the future to erect on this lot a large automobile service station where machines may be furnished with oil and gasoline but Mr. Ben H. Greenlee, local manager for the company today stated that this was a matter for the future and that the company did not contemplate such a station in the very near future.

## OUR BAND WILL LEAD BIG INAUGURAL PARADE

Inaugural Committee Assigns Maysville Boys' Band Its Place at the Very Head of the Big Inaugural Parade.

Manager J. Barbour Russell, of the Maysville Boys' Band has received a letter from the Secretary of the Inaugural Arrangements Committee informing him that the Maysville Boys' Band had been assigned a place at the head of the Inaugural parade in Frankfort on December 9th when Governor-elect Edwin P. Morrow takes his office.

Just what amount of trouble and pressure was necessary to assign the local band this highest honor in the parade is not known to every one but when Mr. Morrow was here in his campaign he gave out his promise that if elected Governor he wanted our band to lead his Inaugural parade and Governor Morrow is going to keep his pre-election promises. It was necessary for him to take a hand in the arrangements to secure this place of honor in the parade.

Governor Morrow says he wants the best musical organization in Kentucky to lead his Inaugural parade and therefore insisted on this place being given to our band.

Mr. Russell's letter says:

Dear Sir:—You are cordially invited to attend the inaugural ceremonies incident to the inauguration of Hon. E. P. Morrow, Governor, and Hon. S. Thruston Ballard, Lieutenant Governor, at the Capitol on Tuesday, December 9th and to bring with you the Children's Band of Maysville which the Inaugural Executive Committee has selected to head the inaugural parade.

We understand that the band is making all arrangements to be present and take the part indicated.

Yours very truly,

OSCAR W. WOLFE, Secretary.

## MAYOR TO NAME COMMITTEES SOON

Mayor Thomas M. Russell has announced that he will name his committees for the new City Council within the next few days. Until these committees are named the hold-over members of Council will retain their committee chairmanships and the new members will succeed to the chairmanships of their predecessors.

The Ohio river is falling very rapidly at this point just at this time and within a few days is expected to be back within its banks. The high water did no serious damage in this immediate district.

## BAND TO MAKE TRIP TO FRANKFORT ON TRAIN IS NOW PLAN

Special Coach Will Be Added to Morning L. & N. Train on Inaugural Day For Members of Maysville Boys' Band.

Colonel J. Barbour Russell, manager of the Maysville Boys' Band today made arrangements for the band to make the trip to Frankfort on Inaugural Day over the L. & N. railroad instead of by automobiles which would be entirely too uncertain.

Under the present arrangements there will be an extra coach added to the morning L. & N. train to carry the band. The train will arrive in Frankfort about a half hour after the time scheduled for the parade to start but Mr. Russell has been assured by the parade committee that the parade would be held a half hour on the band if necessary.

All plans are now practically settled for this big trip which the members of the band have looked forward to for some time. Contributions from local Republicans were taken today to pay the expenses of the band on the trip and they will be well cared for out of the large sum thus subscribed.

## ALL TICKETS SOLD FOR BUSINESS MEN'S BANQUET TONIGHT

Ninety Local Business Men Will Be Seated at Banquet and Annual Chamber of Commerce Meeting Tonight—Band to Play.

The directors of the Maysville Chamber of Commerce announced at one o'clock this afternoon that the sale of tickets for the annual banquet at the Central Hotel this evening had been stopped.

Only ninety persons could be accommodated at the hotel and this number of tickets had been sold by that time. Host Watkins and his kitchen crew have been busy all afternoon preparing a big turkey feast for the business men and prospects are for a great annual meeting. Besides the reading of the annual report of the Secretary, the election of officers for the ensuing year and the adoption of a plan of action will have the attention of the business men.

The famous Boys' Band will furnish music in the dining room after which they will be treated to a feast by the Chamber of Commerce at Traxel's. The banquet doors will be opened at 7:45 and everyone is asked to be on hand promptly as there is much business to receive attention.

## WOMEN ARE URGED TO ATTEND THEIR MEETING

Women From Each Precinct in the County Asked to Attend School of Citizenship.

Maysville and Mason County women from every voting precinct in the county are asked to attend a mass meeting at the Court House Friday, December 5, at 2:30 p. m. The meeting will be addressed by Mrs. Desha Breckenridge, President of the Kentucky Equal Rights Association, and Miss Annette Beveridge of Baltimore, Maryland, representing the National American Woman Suffrage Association.

Now that the enfranchisement of all women in the United States is assured at an early date the woman suffrage organizations local, state and national are resolving themselves into schools for citizenship under the name, "The League of Women Citizens."

Mrs. Breckenridge and Miss Beveridge will fully explain the functions and purposes of "The League of Women Citizens." It is hoped that as many business women as can will attend this meeting. Since there are to be two speeches, teachers are urged to come to the meeting as soon as their schools close. They will get one speech at least and the discussion that follows.

Bramel asking for judgment for \$1,000 and interest and judgment also for an additional sum of \$687.50 and interest. She states that pending a suit for divorce in the Kenton Circuit Court she entered into an agreement with him in settlement of her demand for alimony that he give her his home in Forest avenue, Maysville, and that he pay off the mortgage on same. She says he failed to pay this mortgage which she has been compelled to pay and this is the \$1,000 she asks for. He also, by this contract, she says, agreed to pay \$12.50 per week for the support of their children and she says he has failed to do this. She asks for \$687.50 to cover this amount. ## MAYSVILLE ESCAPES DRASTIC FUEL ORDER BY ITS LOCATION

Natural Gas Towns and Cities Along Ohio Valley Included in Virginia Territory and Escape Drastic Orders.

It has just become known that under a special ruling of the Railroad Administration which now has complete charge of the fuel proposition in the United States, Maysville and a few other cities located along the Ohio River and the West Virginia Natural Gas line, will escape the drastic fuel restrictions issued Sunday and Monday and which were to go into effect all over Kentucky and the Southern territory on Monday night.

Although the order issued from Atlanta headquarters included all of the territory East of the Mississippi and South of the Ohio and was thought to include the entire state of Kentucky the order excepted the Virginia and West Virginia territory. Under the Railroad Administration orders our own town is included in the excepted territory being under the jurisdiction of Virginia and West Virginia.

Maysville is indeed fortunate in this ruling as it is one of a very few cities in the whole of the State of Kentucky which is not affected by the order which was published in the Public Ledger Monday evening. Maysville's business, under this fortunate arrangement of things will proceed as usual without any interference whatever at present.

## MANY AUTOMOBILES GOING TO FRANKFORT

Because of the cancellation of the special train chartered by Mason County Republicans for the trip to Frankfort on Inauguration day, many local people who are very anxious to attend the celebration will go in their automobiles and plans are now going forward for many machines to make the trip.

## PEOPLE IN ADJOINING COUNTIES DISAPPOINTED

Hundreds of people in Fleming, Bracken and Robertson counties who had planned to go to Frankfort on Inauguration day on the Maysville special train are greatly disappointed at the cancellation of the train and a large number of people will be compelled to call off their trip on this account.

## INDICTMENT AGAINST LUKE MCLUKE WAS DISMISSED

Friends Sign Statement That Cincinnati Humorist Was Not Responsible and District Prosecutor Grannis Dismisses Indictment.

James Hastings, of Cincinnati, better known to his hundreds of readers throughout the country as Luke McLuke, was here this afternoon and with his attorney, Judge Geoghegan, appeared before District Prosecutor B. S. Grannis to take up the matter of the indictment returned by a Mason County Grand Jury about a year ago against Luke McLuke charging him with gambling.

The matter was gone into pretty thoroughly and Mr. Grannis explained that the Cincinnati Humorist had paid little attention to the court's orders. It was finally agreed that inasmuch as Luke was so filled with Maysville hospitality when he was alleged to be in a game of chance and as he was no professional gambler, the indictment would be dismissed if his friends who were with him would sign a statement for record in the court that he was not responsible for what he did that night.

Mr. Arthur Curran, local news representative of the Cincinnati paper with which Luke McLuke is connected, obtained the necessary signatures to the statement and the indictment will be dismissed.

## MANY MAYSVILLIANS AT LEXINGTON TODAY

Quite a number of Maysville tobacco men went to Lexington this morning to attend the opening sale on the Lexington looseleaf market and to take notes on how the various grades are selling at opening. The price obtaining on the Lexington market today will have much to do with the price on the Maysville opening one week from today.

## ATTEMPT MADE TO ROB WEST UNION BANK LAST NIGHT

Officers of Financial Institution in Neighboring Town Find Yeggmen's Tools Scattered Around Large Safe When They Open For Business.

Some time during Monday night or early Tuesday morning yeggmen made an unsuccessful attempt to "crack" the safe of the West Union Ohio Bank and carry away a large sum of money that was on deposit there.

The attempt at bank robbery was first discovered by officers of the bank when they opened Tuesday morning for business. The attention of the officers was attracted by finding laying about the floor in front of the large safe all manner of tools such as are generally used by yeggs. The officer entering the bank first and noticing the tools on the floor went to the large safe and found that the safe door was still warm from the attempt made by the would-be burglars but they had been unsuccessful in opening the safe and had fled.

By the yeggmen leaving their tools scattered about the bank, officials think that the attempt at robbery was made early this morning and the men were probably frightened away by some noise on the outside.

There was a large sum of money in the bank's safe, it is understood. No clues on which officials might work were left except the tools and officers of neighboring towns were notified by the sheriff of Adams county.

## BARN BLOWN DOWN

Flemingsburg, Ky., December 2.—The wind which swept over this county Saturday blew down a tobacco barn belonging to Dr. J. C. S. Brice, which had about 10,000 pounds of tobacco in it. The wind blew down several other barns, uprooting trees, blowing in windows and taking off shutters.

## OUR POLICY

To support such measures as are unquestionably for the good of Mason County as an entire community, rather than such propositions as are in favor of the individual interest, or of one section as against another. And likewise to earnestly and consistently oppose all things that are not for the good of the County as a whole.

## "WAR TO THE DEATH"

The law abiding citizens of the State of Washington are determined that there shall be no opportunity for the recurrence of the disgraceful scenes which were enacted in Centralia on Armistice day when four former American soldiers were killed and a fifth mortally wounded by bullets fired by the hands of members of the I. W. W. "War to the death" is the slogan adopted in Seattle and war it must be. Law and order will be preserved in this country and there is no time like the present to settle the entire matter. These men are proved enemies of the United States. They cannot be handled with gloves. Their methods are the methods of sneaks, cowards and spineless curs. Their senses are dulled to any appeal for justice, right and honor. Honor is absent from their make-up. The whole country sympathizes with the people of Washington in this terrible catastrophe. Horrible as it is it will stimulate the people to action. The enemies of the government have attacked those who went forth to uphold the Constitution, the flag and the honor of their country. Death is far too good for such as these.

## SECRETARY OF STATE HEADS COMMITTEE OF CHURCH UNION

Hon. Robert Lansing Accepts Chairmanship of General Committee of the Inter-Church Movement.

Atlanta, Ga., December 2.—Secretary of State Robert Lansing has accepted the appointment of chairman of the general committee of the Inter-church World Movement, according to advice received at the southeastern headquarters of the movement in Atlanta today.

The committee of which Secretary Lansing is now the directing head consists of 150 of the most prominent clergymen and laymen in America, representing the evangelical churches and church boards which are cooperating in the movement. The secretary of state, like President Wilson, is a ruling elder in the Presbyterian church.

In accepting the appointment, Secretary Lansing wrote to Dr. William Hiram Foulkes, vice chairman of the executive committee of the Inter-church World Movement, expressing his appreciation. "I am highly honored by being selected to lead so great a movement of the Protestant churches of this continent and accept the position with the assurance that so far as I am able, I will do my part in advancing a cause which appeals to every man who seeks a new and better world, founded upon the principles of Christianity."

He succeeds F. W. Ayer, of Philadelphia, who still is actively identified with the movement.

The general committee of the Inter-church World Movement lays out the general policies of the movement for the various evangelical denominations who support it. The details of these policies are entrusted to an executive committee, of which Dr. John R. Mott is chairman.

## Their Medicine Chest For 20 Years

IT is characteristic of folks after they pass the allotted "three score years and ten" to look back over the days that are gone and thoughtfully live them over.

I find myself, at seventy-one, frequently drifting back a quarter of a century, when I see myself in the little drug store I owned at Bolivar, Mo., making and selling a vegetable compound to my friends and customers—what was then known only as Dr. Lewis' Medicine for Stomach, Liver and Bowel Complaints.

For many years while I was perfecting my formula I studied and investigated the laxatives and cathartics on the market, and became convinced that their main fault was not that they did not act on the bowels, but that their action was too violent and drastic, and upset the system of the user; which was due to the fact that they were not thorough enough in their action, some simply acting on the upper or small intestine, while others would act only on the lower or large intestine, and that they almost invariably produced a habit requiring augmented doses.

I believed that a preparation to produce the best effect must first tone the liver, then act on the stomach, and finally on the rectum. If this was accomplished, the medicine would produce a mild, but thorough, elimination of the waste without the usual sickening sensations, and make the user feel better at once.

After experimenting with hundreds of different compounds, I at last perfected the formula that is now known as **Nature's Remedy**, which I truly believe goes further

and does more than any laxative on the market today. The thousands of letters from users have convinced me I was right, and that the user of **Nature's Remedy** as a family medicine, even though he may have used it for twenty-five years, never has to increase the dose.

My knowledge of medicine and the results of its use in my own family and among my friends, before I ever offered it for sale, caused me to have great faith in **Nature's Remedy** from the very first.

And now as I find myself nearing the age when I must bow to the inevitable and go to another life, my greatest pleasure is to sit each day and read the letters that each mail brings from people as old or older than I, who tell of having used **Nature's Remedy** for ten, fifteen and twenty years, and how they and their children and grandchildren have been benefited by it.

It is a consoling thought, my friends, for a man at my age to feel that aside from his own success, one has done something for his fellow man. My greatest satisfaction, my greatest happiness today, is the knowledge that tonight more than one million people will take a **Nature's Remedy** (N.R. Tablet) and will be better, healthier, happier people for it. I hope you will be one of them.

### "A SPLENDID

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

## A Good Rain Coat

IS HARD TO GET

But we make it our business to get good ones. For its our bread and meat. Sell any man a good article, brings him back again. We try to do this in everything we sell, but especially raincoats. \$7.50 buys a fair Raincoat. \$10.00 buys a good one. \$12.50 buys one guaranteed to be absolute water proof. Then they run up to as high as \$40 to the imported gaberdines.

The first essential demanded of the Court ladies in Japan is self-denial and perseverance. Lowness of extraction is no obstacle, as this can easily be set aside by nominal adoption into a family of higher grade.

In some districts of India the remarriage of widows is permitted, except among certain castes, such as the Brahmans and Rajputs. The ceremony is performed on a night of "the dark fortnight," no women except widows being present. It is considered most suitable that the deceased husband's younger brother should marry the widow.

## PEPTO-MANGAN MAKES RICH RED BLOOD

Helps Restore Thin, Run-down Men and Women to Vigorous, Full-Blooded Health—Recommended by Physicians—Sold in Liquid or Tablet Form; The Name "Gude's" the Guide to the Genuine.

It is a true saying that your health is only as good as your blood. Good, rich blood manifests itself in a healthy, natural complexion; clear, keen eyes; tireless energy and enthusiasm; and an abundant supply of reserve strength.

And just as positively does poor, thin blood directly influence the entire system. Pale, sallow complexions; dull eyes; a listless step; languidness; tiredness; worn-out feeling; general dejection and unhappiness—all are positive signs that the body is not receiving its proper nourishment through the blood.

Pepto-Mangan helps restore vigorous health, because it contains the very elements so much needed by the blood to enable it to perform its functions and supply the body with nourishment, energy, and strength.

For your convenience, Pepto-Mangan is prepared in tablet as well as liquid form. Both possess exactly the same medicinal value.

There is but one genuine Pepto-Mangan, and that is "Gude's". If the name "Gude's" is not on the package it is not Pepto-Mangan.

**THEDA BARA NOW AS SOUTH SEA PRINCESS**

Theda Bara is coming in a new super-production by William Fox entitled "A Woman There Was." This will be the special feature at the Pastime tomorrow. It is described as a thrilling drama with a South Sea Island setting, including all of the "atmosphere" of that wonderful tropical clime. The thread of the theme winds around the beautiful daughter of the Mahaj of the island, who falls in love with an American missionary. Her love is not reciprocated, as the missionary remains true to his fiancée back home. Notwithstanding this the princess thrice forces death to save her sweetheart, and finally dies by violence that he may live.

Among the sensational scenes is one showing a tropical typhoon which sweeps everything before it.

## EVIDENCE THAT CONVINCES

A Twice-Told Tale That Will Carry Conviction to Ledger Readers.

Fourteen years ago, Mrs. Burns publicly endorsed Doan's Kidney Pills;

she then told of benefit she had received. With unshaken confidence, she confirms her statement—Tells how passing years have strengthened her faith in Doan's.

There's no better test than the test of time.

Can any Maysville reader ask for more convincing evidence?

Mrs. John Burns, West Second Street, says: "I was subject to severe spells of backache and other kidney trouble. They would come on every three or six months and there were times when I was confined to bed and rendered helpless. I used Doan's Kidney Pills and the quick and decided benefit I received from Doan's Kidney Pills was wonderful. I have never had such severe attacks since." (Statement given February 13, 1914.)

**NO TROUBLE SINCE**  
On November 15, 1916, Mrs. Burns said: "I have the same good words of praise for Doan's Kidney Pills today, as ever. I have not needed a kidney medicine since I first took them."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Burns had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
